Vol. 1, #2

The Vermont Bridge Newsletter has been created to keep all ACBL bridge players within Vermont informed on issues of general and specific interest. It will be published on an irregular basis throughout the year, as need and interest dictates. At the last Board of Directors meeting it was agreed that the Unit would pay the expenses involved in sending it out to all ACBL members in Vermont. If ANY of you have any comments on the Newsletter itself, and especially information you would like to see included in future issues (new Life Masters, people moving away, births, great feats at tournaments etc.) please send it to: Lynn Carew, Newsletter Editor, Collamer Circle, Shelburne, VT 05482.
